FUN with FIRE!

To make a simple fuse; 1. Place an unlit cigarette between two rows of matches. Tie them firmly with string. 2. Wrap the matches in dry paper or other inflammable material. Place between wooden or cardboard boxes. 3. Light the cigarette at the free end. The matches will light in 5 or 10 minutes.

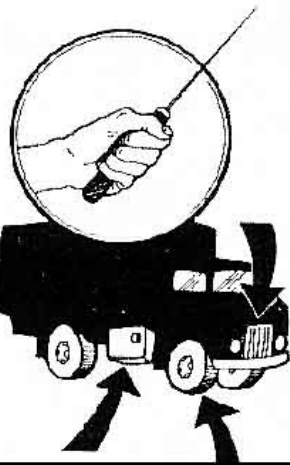

BLOW A FUSE!

By putting a small coin between the lightbulb and the socket.

THREATS!

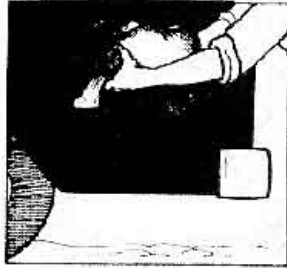

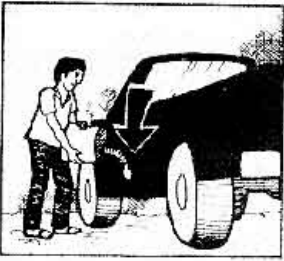

BLOCK the TOILET!
1. Wet a sponge. 2. Wrap the sponge tightly with string. Let it dry. 3. Remove the string. 4. Introduce the sponge into toilets or water drains to stop them up as the sponge swells.

MAKE TROUBLE!

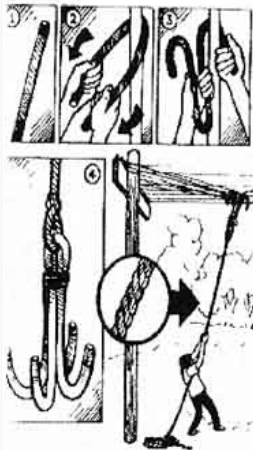

Spread rumours. Make false hotel reservations etc.

PUT WATER OR DIRT IN PETROL TANKS!

PULL DOWN TELEPHONE WIRES!

1. Get a steel bar. 2. Bend it around a pole. 3. Make three bends to form a hook. 4. Tie a rope (NOT a cable) to the upper part. Throw the hook until it catches the telephone wires (never the power lines) and pull on the rope until you bring them down.
